

Wedding Blend of tea from **Harney & Sons**. This white tea blend with rosebuds, caramel, and lemon is perfect for that special day.

Fizzy Lizzy not only announced two new flavors — lemon and concord grape, but also launched a new packaging concept as well. The healthy all-natural beverage contains an average of 65-percent juice, only 85 calories per cup, and up to 100 percent of the USRDA for Vitamin C. **The Healthy Beverage Company** offered up its healthy alternative to soda with its Steap Green Tea Soda line. The line, now distributed by **Liberty Richter**, is a microbrewed creation and the first soda brand ever to be stamped with the USDA Certified Organic Seal. New launches this fall include a line extension into diet varieties, as well as new flavors — Black Cherry and Ginger Ale. More low-cal news came as **Big Train** added a Sugar Free Vanilla Chai Tea to its inventory, cutting the sugar by five grams.

Newcomer **Tommy's Naked Soda** is a line of all-natural, all-clear sodas made with sugarcane. Five flavors are currently available — Clearly Cream, Bubbling Black Raspberry, Righteous Root Beer, Optimal Orange, and Luscious Lemon Lime. Along with the fun names come
